

[illegible][illegible][illegible][illegible]

Technical site plan of a parking area. The plan shows several parking spaces, some marked with 'STOP' signs. A red line indicates a boundary or road. A green line indicates a path or boundary. A blue line indicates a water feature or drainage system. A yellow circle marks a specific point. A green circle marks another point. A red circle marks a third point. A blue circle marks a fourth point. A green circle marks a fifth point. A red circle marks a sixth point. A blue circle marks a seventh point. A green circle marks an eighth point. A red circle marks a ninth point. A blue circle marks a tenth point. A green circle marks an eleventh point. A red circle marks a twelfth point. A blue circle marks a thirteenth point. A green circle marks a fourteenth point. A red circle marks a fifteenth point. A blue circle marks a sixteenth point. A green circle marks a seventeenth point. A red circle marks an eighteenth point. A blue circle marks a nineteenth point. A green circle marks a twentieth point. A red circle marks a twenty-first point. A blue circle marks a twenty-second point. A green circle marks a twenty-third point. A red circle marks a twenty-fourth point. A blue circle marks a twenty-fifth point. A green circle marks a twenty-sixth point. A red circle marks a twenty-seventh point. A blue circle marks a twenty-eighth point. A green circle marks a twenty-ninth point. A red circle marks a thirtieth point. A blue circle marks a thirty-first point. A green circle marks a thirty-second point. A red circle marks a thirty-third point. A blue circle marks a thirty-fourth point. A green circle marks a thirty-fifth point. A red circle marks a thirty-sixth point. A blue circle marks a thirty-seventh point. A green circle marks a thirty-eighth point. A red circle marks a thirty-ninth point. A blue circle marks a fortieth point. A green circle marks a forty-first point. A red circle marks a forty-second point. A blue circle marks a forty-third point. A green circle marks a forty-fourth point. A red circle marks a forty-fifth point. A blue circle marks a forty-sixth point. A green circle marks a forty-seventh point. A red circle marks a forty-eighth point. A blue circle marks a forty-ninth point. A green circle marks a fiftieth point. A red circle marks a fifty-first point. A blue circle marks a fifty-second point. A green circle marks a fifty-third point. A red circle marks a fifty-fourth point. A blue circle marks a fifty-fifth point. A green circle marks a fifty-sixth point. A red circle marks a fifty-seventh point. A blue circle marks a fifty-eighth point. A green circle marks a fifty-ninth point. A red circle marks a sixtieth point. A blue circle marks a sixty-first point. A green circle marks a sixty-second point. A red circle marks a sixty-third point. A blue circle marks a sixty-fourth point. A green circle marks a sixty-fifth point. A red circle marks a sixty-sixth point. A blue circle marks a sixty-seventh point. A green circle marks a sixty-eighth point. A red circle marks a sixty-ninth point. A blue circle marks a seventieth point. A green circle marks a seventy-first point. A red circle marks a seventy-second point. A blue circle marks a seventy-third point. A green circle marks a seventy-fourth point. A red circle marks a seventy-fifth point. A blue circle marks a seventy-sixth point. A green circle marks a seventy-seventh point. A red circle marks a seventy-eighth point. A blue circle marks a seventy-ninth point. A green circle marks an eightieth point. A red circle marks an eighty-first point. A blue circle marks an eighty-second point. A green circle marks an eighty-third point. A red circle marks an eighty-fourth point. A blue circle marks an eighty-fifth point. A green circle marks an eighty-sixth point. A red circle marks an eighty-seventh point. A blue circle marks an eighty-eighth point. A green circle marks an eighty-ninth point. A red circle marks a ninetieth point. A blue circle marks a ninety-first point. A green circle marks a ninety-second point. A red circle marks a ninety-third point. A blue circle marks a ninety-fourth point. A green circle marks a ninety-fifth point. A red circle marks a ninety-sixth point. A blue circle marks a ninety-seventh point. A green circle marks a ninety-eighth point. A red circle marks a ninety-ninth point. A blue circle marks a hundredth point.
